Lake Shikaribetsu Kotan Open-air Hot Spring Bath on Ice

大自然、ひしひしとを感じる冬の静寂だけの湖に、人々が氷の村をつくった。湖の上でのことだから、当然春になれば季節の流れで村も沈む。でも彼らの夢は沈まないし、彼らと遊ぶ旅人たちの心も一年中湖とともに生きている。そんな中でちよろちよろと生きている人間が、たまらなく素敵に思えてくる。そんな場所が、

A village of igloos is built on a quiet winter lake in nature. Of course, the village will disappear into the lake in the Spring. However, dreams of the people who built it will never disappear, and the hearts of those travellers who played with the people will live on with the lake throughout the year. Lake Shikaribetsu is a place where these people look so wonderful.
